

Porter Rockwell Trail, Final Phase

Project Description: Construction, trail and bike path

Located at Wasatch Blvd. in Draper City, this project is a partnership between local government, Draper City & UTA, and UDOT, with UDOT providing project oversight because federal funds are incorporated into the project budget.

Total Project Budget: Approx. \$312-thousand (Commission approved amount & current cost estimate)

Anticipated Schedule: This project is currently scheduled for construction in 2006.

NOTE: Schedule information listed above is estimated and could change without notice based on funding, scheduling constraints, stakeholder issues, and other unanticipated project elements.
